

PayHero Public API Application Form

Please provide as much information as possible to help us assess your application. Provide company details, contacts, use case, requested scopes, data categories/volume, processing locations, and high-level assurance details.

About your organisation

Purpose

The following questions will allow PayHero to understand your organisation.

#	Question	Response
1	Key Office Holder authorising this application	
2	Contact name	
3	Contact email	
4	Contact number	
5	Role/title	
6	Legal company name	
7	NZBN/ABN	
8	Website address	

Primary Technical Contact Person

Purpose

To provide PayHero with information about the primary technical contact person your organisation has given authority to act on your behalf in respect to the initial build and test of the software solution.

#	Question	Response
9	Contact name	
10	Contact email	
11	Contact number	
12	Role/title	

Service information

Purpose

To help PayHero understand your business, who you currently or intend to deliver services to, and how your service functions.

#	Question	Response
13	Use case	

14	Do we currently have mutual customers? If so, who?	
15	Roughly how many of your current customers would you expect to start using our product once the integration is live?	
16	Do you currently have similar integrations? Please provide details.	
17	Please tell us as much as you can to help us assess the opportunity. E.g. How many customers do you have? What industries are they from? How many employees do they have on average?
